

Here are step-by-step instructions for using our new online entry system to enter campers. Please note: If you want to register multiple campers, go all the way through step 11 to register one camper first – then click “Add Another Registration” and do the same process with another camper.

- 1) Log on to www.twirlingunlimited.com and Click on “Event Calendar, Brochures & online Entries”
- 2) Scroll to bottom of page and Click on “Click Here to Register for Camps Online”
- 3) Click “View” on 2019 Camp Registration
- 4) Select the camp location you are interested in and click the “View Sessions” button
- 5) Click the box beside the camper selection and price you qualify for - then click “ADD to Cart” (near the bottom)
- 6) Scroll back to the top of the page and in the right hand column it will show your selection. Click “Continue”
- 7) Create an account (this will be the parent email), agree to terms, click “next”. (Note: if you have already done online registration for TU competitions, you can use the same account)
- 8) On “Who is Attending” screen, fill in camper information, then click “Continue”
- 9) On the registration form page, fill in complete camper information and parent information (parent age is required for minors to insure person signing waivers is over 18).
- 10) Electronically “sign” the form at the bottom and click “Continue to Cart”
- 11) The next screen will show you your “cart” - and you will have the option to review, change or remove any of your selections
- 12) If you want to add another registration, click that option in the top right and go back through each step for the next camper. But be sure when you get to “Participants and Options” you register a new name under “Who Is Attending”
- 13) Select payment option. You may choose to make a deposit and pay the remainder when you check in for camp or you may pay the entire amount (you may pay by credit card or electronic bank draft through the secured site)
- 14) Create a password for your account. This will save your information so you can log in any time to see what competitions and events you have entered. It will also simplify the registration process the next time you register for an event.
